ANIMAL ADAPTIONS

Pick a bird that lives in each of these environments and right down how it is adapted to survive:

ENVIRONMENT	ANIMAL	EATS	SUPER POWER ADAPTATION 1	SUPER POWER ADAPTATION 2	ANYTHING ELSE SPECIAL ABOUT THIS ANIMAL?
Spends time In the Sky	Curlew	Worms	Special curved bill acts like a tweezers helping to dig deep in muddy waters to catch worms.	The colour of my feathers helps me camouflage in the muddy water and riverbanks.	I migrate to Ireland in Winter when weather gets too cold in Scotland and Northern Europe
